RADIO CONTROLLED CARS, TRUCKS
BOATS, HELI, HOP-UPS, ACCESSORIES
AND OEM PRODUCTION

HIMOTO RACING™ is a hobby grade manufacturer of radio controlled vehicles.

We proudly in-house manufacture in our factory in Shenzhen, China where a seasoned team of engineers and designers collaborate with professional radio control enthusiasts to develop the finest vehicles.

Each product platform undergoes extensive research and development process, followed by countless hours of rigorous testing in a multitude of conditions before being released to the public.

Our “Advanced Product Design” philosophy coupled with strict quality control standards, pre-sale consultation, post-sale service, diverse products, accessories & hop-up parts and 100% product fulfillment rate set us apart from the competition.

Himoto Racing offers a full range of product platforms including 1/5th scale gas and electric. 1/8th scale nitro & brushless, buggies, truggies and trucks. 1/10th scale nitro and brushless, buggies, truggies, trucks, crawlers as well as on-road and rally. We also offer a full line of 1/12th, 1/16th and 1/18th scale vehicles as well as quadcopters, boats and motocross bikes.
